

COLBY STATION SHOPPING CENTER

Bypass Rd | Winchester, KY 40391

SUITES FOR LEASE

Colby Station is one of very few locations still available in Winchester as growth in the area continues toward Colby Station Road. The retail center contains great anchor tenants including Sears, Dollar Tree, and Rent-A-Center. A 14,000 S.F. expansion was added in the Fall of 2004 along with a completely new look for the entire center. Tenant exposure is excellent with tenants' names on a pylon sign and building signage also available. The available suite is Perfect for physicians' and medical offices, Urgent Treatment Center, or Retail.
